3. The next briefing is scheduled for 12 March. Tentatively there are Pre-Briefs scheduled for 5 and 10 March. It is quite likely that, so long as the current crises continue, they will occupy the majority of the President's concern; nevertheless, the Director does want to continue to explore other possible briefing topics and to fit them in where possible. With this in mind the Director has indicated a desire to explore/develop the following for possible use at the next briefing:
